- Book your flights with an option of a free date change
- Numerous factors such as weather, road conditions, the physical ability of participants, etc. may cause itinerary changes. We reserve the right to change any schedule in the interest of safety, comfort, and general well-being.
- Some regions do not have star category hotels due to their offbeat locations thus we'd expect you to not expect luxurious amenities and at times, even basic amenities like 24x7 running electricity, hot water & wifi at these properties/ hotels/homestays.
- For large groups, all rooms in one hotel may not be available, so if two or more hotels are selected, identical facilities may not be available between rooms. We will however try our best to maintain similarities in services but we expect you to adjust to these conditions.
- Please note that all special requests like early check-in, views, smoking, non smoking, floors, king, twin, adjoining and/or interconnecting rooms are strictly subject to availability upon arrival and cannot be guaranteed prior. Any expenses arising out of this is to be borne by the customer.
- For meal plans, the menu will be on fixed plan/ buffet basis and not on A-la-Carte basis. MAP plans do not include evening snacks and cold drinks / liquor, soups or desserts. For order on A-la-Carte basis, guests are requested to make direct payment for additional items.

- Consumption and serving of alcohol in hotels / rooms is subject to hotel's rules and regulations.
- In triple sharing room, an extra mattress is provided. This is not to be confused with an extra bed.
- In hilly areas, scarcity of water and electricity is a natural phenomenon. To overcome the water crisis, certain hotels have fixed schedule for supplying hot and cold water. We strongly regret the inconvenience but do look forward to your cooperation.
- Due to unforeseen situations (force majeure/ traffic jams / traffic halts/ diversions/ curfew, Union strike, VVIP movement, etc.) the vehicle reporting may get delayed and in such case, we request you to bear with us. We also expect you to board the vehicle as soon as it arrives so any further delay can be avoided.
- The vehicle used will not be at disposal and will be exclusively used as per the itinerary only (on point to point basis).
