BIKE TRIP

About Us

We built the organization with everything we have. In the first few groups, trekkers and travelers almost brought out machine guns, giving us harsh feedback. But deep inside, they truly appreciated the concept of **EK KARVAAN**.

और आज! “Banate tour par hum khud bane hai tumse”.

ekkarvaan works across time zones, hemispheres, cultures, and languages. We're used to breaking things down and building them back up again until they're even better. We know travel can be hard, but we also know that it's worth it every time.

We take our roles seriously. We're here to build great products, and facilitate connections between travelers and our partners that truly bring good into the world.

Why Us

- **Expertise:** Our team of travel experts has traversed the globe, bringing you firsthand knowledge of the world's most captivating destinations. We are committed to sharing our expertise to help you plan the perfect trip.
- **Personalization:** We believe that the best adventures are those that resonate with your individual passions. That's why we take the time to understand your preferences and customize your travel itinerary to exceed your expectations.
- **Local Connections:** We have established deep-rooted connections with local guides, hotels, transportation, and experiences in each destination. This allows us to offer you insider access to hidden gems and authentic encounters.
- **Sustainability:** We are committed to responsible and sustainable travel. We promote eco-conscious practices and support initiatives that preserve the natural beauty and cultural heritage of the places we visit.

A. Ladakhi people speak local Ladakhi language though all of them understand Hindi with some of them (city dwellers) understand English too.

Q. Is there any lack of oxygen during the trip?

A. Anybody travelling 10,000 feet above sea level will find difficulty in breathing or is likely to fall prey to altitude sickness. It happens due to low level of atmospheric oxygen. The biggest cause of AMS (Acute Mountain Sickness) is dehydration. People on the trip forget to drink enough water, they keep on riding. To beat AMS, take the following steps:

- Drink lots and lots of water mixed with glucose.
- Take everything slow. Even little labour at high altitudes will leave you spent.
- Take one Diamox at Srinagar on the morning when you leave for Leh. Diamox takes one hour to start working.
- Don't push too hard; take the trip slowly. Ascent slowly, decent.
- If you feel the symptoms creeping up, stop and take some rest. Don't keep pushing.

Q. What about money exchange, can we use Debit/credit cards?

A. Money can be exchanged only in Srinagar & Leh town; you can also use debit/credit card in a few of the reputed shops and hotels but at an additional 2% service tax.

Q. Which network is accessible?

A. During the whole trip you can get BSNL network at some places, in Srinagar you can get every mobile network but in Ladakh region, you can only access postpaid BSNL, Airtel and Vodafone.
